Publishing Support for a UK Investment Bank

Client Challenges

- The client needed a reliable partner to handle the formatting, styling, and publishing of the research report documents. Earlier, the bank faced challenges with meeting demands and tight deadlines associated with the delivery of coverage reports, and investor education reports.

Project Methodology

Haanuwise established a team of 5+ people to dedicatedly work and collaborate with the client's requirements.

- Editing, publishing, and formatting research reports.
- Working with the client's internal systems to check and schedule reports.
- Formatting, styling, and publishing distribution materials for roadshows.

Impact Delivered

- **Streamlined and Detailed Editorial and Graphic Support:** Offering quick and comprehensive editorial, infographic, and formatting support.
- **Support for Various Types of Reports:** Catering to both longer-shelf-life reports and shorter reports with immediate deadlines.
- Time bound support, with minimum client supervision.
